CASE CONTINUED

Though Dr. Charles M. Beach Was Anxious for His Trial

The case of Dr. Charles M. Beach for the killing of Hiram Luman of near Foxport at Escalopia Springs a year or so since was called in the Lewis Circuit Court this week but was continued on account of the absence of Grover Richie and Bertha Luman, the two leading witnesses for the prosecution, and attachments were issued for them, returnable at the next term of Court.

The defense was in Court ready and anxious for trial and agreed to accept the evidence of the prosecuting witnesses as given before the Grand Jury.

The Prosecuting Attorney would not agree to this and made the statement that he believed that the two absent witnesses, Richie and Miss Luman, had left the state.

The Dark Tobacco Growers Association has issued an ultimatum to the independent growers that they must join the association or cease raising tobacco. Many plant beds in Kentucky have been destroyed by a committee which gave the farmer the option of joining the association or having his plants dug up. The tobacco war is growing more serious than it has ever been.

Wednesday Mr. James Asbury of Fernleaf went to Dover to meet his wife, who was returning home from a visit. He was driving a spirited horse, and on the approach of the train he got out of the buggy and caught the horse by the head and bridle. Notwithstanding his precaution the horse frightened at the locomotive and dashed away, dragging Mr. Asbury, who held on to the bridle, a considerable distance before his hold broke. He was bruised and scratched considerably, but not hurt seriously, as first reported.

It is an enigma how idle tales are set afloat. Yesterday it was currently reported and repeated as a fact that while Mrs. Thomas Hickey was in Church attending the funeral of her mother, her son, Mr. James Hickey, had passed away at their home in Erlanger. Fortunately the information was not imparted to the mother, already bowed in grief over the death of her own parent, and she left for home yesterday none the wiser of the idle and unfounded rumor. A relative phoned to Erlanger and found that the young man, though in ill health, was about the same as when his mother left for this city Wednesday.

Mr. Harold H. Collins continues very ill at his home in East Second street.

MRS. MICHAEL DUREYA.

Mrs. Michael Duryea, nee Miss Mary Sanford Mitchell, died yesterday at College Hill Sanitarium, Cincinnati, where she had been a patient the past four years. Mrs. Duryea had been ill, but her death was unexpected.

She was 68 years of age, and a member of one of Mason county's oldest and wealthiest families, being a daughter of the late William Mitchell of Mayslick.

Her niece, Mrs. Hattie Mitchell, now pursuing musical studies at Florence, Italy, was called the sad news and she may return at once.

The remains will arrive here on the 1:36 train today in charge of Mr. George Griffin, and will be taken direct to the Mayslick Cemetery, where services will be held about 4:30 this afternoon.

A coarse, lea-hery complexion made unbecomingly full by eruptions, calls for a general reform in living. The diet should be plenty of Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets.
